New Offices for Nash

That's right! We have moved! We've left our home in the Crossroads for a new adventure in mid-town. Our new address is listed above.

Thanks so much to all of you for your patience this last week. We realize that the time sheets were a bit of a hassle with the fax being down, and since we had some issues getting the DSL line installed, we didn't even have email as an alternative option. We really appreciate all of you who faxed, re-faxed, and then faxed again.

Thankfully, all of these problems have been taken care of, payroll was completed on schedule and we don't foresee this being a problem for the next pay period.

Thanks again for all of your patience and understanding. We are happy to have you as a client and will continue to provide you with exemplary employment services.

New Staff Members

This month we have added two new members to the Nash Resources staff.

Brian Xaine is our new Office Manager and Technical Administrator. He will be helping us with our computer systems and administrative processes.

Katie Morgan is our new Administrative Assistant. She will be helping us with all front office activities and she will also be working with you on any payroll issues.

Please join us in welcoming our new team members and feel free to contact either of them with any issues you may have, or just to say hello!

Happy Birthday to all of our NRG employees having a birthday this month!

Betty Stokes	September 15
Loretta Gifford	September 21
Dwight Shields	September 21
Patricia Whitworth	September 26

Computer Science Corporation Renews Contract

CSC has been awarded DFISS III Task Order. Mary Lou attended the victory celebration on Thursday, August 23 at Richards-Gebauer. Thank you to the staff of CSC for their continued support of Nash Resources.

Theresa Update

Theresa, our administrator, needs to stay at home to take care of her mother. She will be missed. She will be in our thoughts and prayers.

Converted Employees

Several employees have taken permanent positions with our clients. Although we don't want to see Andrea Bell, Denise Rice and Karen Myers leave Nash, our loss is the client's gain. Good luck to all of them in their new careers!
